

COVID-19 Update: Message from the Grand Master

To All Vasa Members:

District Conventions
cancelled or
postponed:

FYI the following
Conventions have
been cancelled:

D-21 Phoenix April

D-12 Sacramento April

D-8 Indianapolis May

Stay well

Many members are asking about Lodge meetings during this Pandemic COVID-19. The Grand Lodge Constitution for Local Lodges states that a minimum of nine (9) regular meetings are to be held during the year. Owing to the number of people suffering the effects of the virus threat as well as directives to distance one self and isolate from others, I am therefore making an Executive Order to suspend the meeting requirement for the remainder of this calendar year.

Our members are to stay safe and healthy and as time permits and the Pandemic ceases, we will once again enjoy the Camaraderie of our meetings and events with renewed Enthusiasm.

In Generosity, Truth & Unity

Art Björkner
Grand Master
